

Membership New and Renewal Application Form

The **E**uropean **S**ociety for **S**exual **M**edicine is an independent medical society and the European Representative of the International Society for Sexual Medicine (ISSM). The ESSM welcomes new applications for membership from individuals who are interested in the field of Sexual Medicine or related medical disciplines.

Interested potential new members can opt for either:

- 1) A **combined ESSM/ISSM membership** for both Sexual Medicine Societies (ESSM/ISSM) including all their special membership related services, the subscription of the Journal for Sexual Medicine, the monthly issued official journal of the ISSM and ESSM, as well as reduced registration fees for all ISSM/ESSM related congresses.

or

- 2) **ESSM membership only** including the ESSM official Scientific and Social periodical, the "ESSM Today", full access to the new comprehensive ESSM web site www.essm.org, including the regularly updated scientific material with monthly up-dated literature reviews, the most recent guide lines, lecture recordings and presentations from past ESSM congresses, the right to participate in the ESSM educational programs, to apply for scientific and support grants and a reduced fee for the ESSM annual congress.

The ESSM encourages but not obliges our members to apply for combined ESSM/ISSM membership to benefit from both societies including the subscription of the Journal for Sexual Medicine

There are principally two membership categories available:

- **Full membership** is open to all scientists or healthcare professional with specific interest in the field of sexual medicine and who have an appropriate qualification in their discipline. A candidate for full membership will be required to make formal application to the ESSM. Membership applications can either be submitted directly to the ESSM or through one of the national ESSM affiliated societies. The ESSM Executive Committee is responsible for the approval of the membership application. The candidate may be asked to show evidence that his/her training and professional activities embrace the field of sexual medicine. Full members are entitled to vote at the Business Meeting.
- **Associate membership** may be requested by any person who does not fulfill the above criteria, such as people in training, industry etc. Membership is subject to approval by the ESSM and associate members cannot vote or hold office in the Society.

Privacy and treatment of personal data

In order to process your membership of the European Society for Sexual Medicine (ESSM) we will store your details in an electronic database. This information will be used to process your application only and will not be used for any other communications. The information will not be sold, lent or otherwise divulged to third parties, other than where it is necessary to process your application.

Should your membership application be successful, your details will be stored permanently in a database and you will have an account set-up within www.essm.org where you will be able to manage your personal details and renew your membership annually. These details will not be sold, lent or otherwise divulged to third parties other than to manage your membership, send you relevant information about ESSM events and services and provide any services you request from time to time. We may use your personal details to send you communications from third parties without divulging your details to them.

If you choose the combined membership of ESSM/ISSM we will then pass your details to ISSM allowing them to register your membership and send you the Journal of Sexual Medicine.

Other than the ISSM, your personal information will never be sent outside the EU other than to countries where this is allowed under EU laws.

Should you have any concerns about the use of your personal details, please email admin@essm.org or write to AIM Congress Srl – AIM Group – Via Ripamonti 129, 20141 Milano – C.a. Ms. Lavinia Ricci

For your consent on data processing and communication as described in the above report:
