“For the 10th year now, we are hosting this special opportunity for colleagues interested in Genitourethral Reconstructive Surgery to come together and enjoy lively interaction and discussion with international experts of the latest hot topics and difficult challenges in this exciting area of surgery. I hope you will enjoy the conference atmosphere at the Royal College of Surgeons of England, situated in the heart of London. I hope to see you there.”

Daniela Andrich MD MSc FRCS
Course Organiser

Hands-on Cadaveric Surgery
Delegates will have the opportunity to learn prosthetic urological procedures operating on a fresh frozen cadaver. Each procedure will be introduced by a short lecture outlining indication and key steps.

Poster Presentations
Delegates are encouraged to submit abstracts for poster presentation. The best poster is rewarded with free admission to next year’s GURS Masterclass.

Video Presentations
Delegates are encouraged to submit abstracts for video presentation. The best video is rewarded with free admission to next year’s GURS Masterclass.

Live Surgery
A variety of urethroplasty techniques and andrological reconstructive procedures will be demonstrated. Surgery takes place in two operating theatres at The Institute of Urology, University College London Hospitals (UCLH), and are transmitted via live-link to the lecture theatre of the Royal College of Surgery.

10th Masterclass of Genito-Urethral Reconstructive Surgery (GURS)
Monday 31st October - Friday 4th November 2016
Royal College of Surgeons of England

Hands-on Cadaveric Surgery
The education centre at the Royal College of Surgeons houses state of the art education and training facilities. The Wolfson Surgical Skills Centre is one of the UK’s largest cadaveric dissection facilities and is fully equipped to simulate the operating conditions of a modern hospital.

Drinks Reception
Join us in the Hunterian Museum which boasts unrivalled collections of human and non-human anatomical and pathological specimens, models, instruments, paintings and sculptures that reveal the art and science of surgery from the 17th Century to the present day.

Course Dinner
Relax in the company of colleagues and enjoy an evening meal in the impressive surroundings of the Edward Lumley Hall.

10th Masterclass of Genito-Urethral Reconstructive Surgery (GURS)
Monday 31st October - Friday 4th November 2016
Royal College of Surgeons of England

Part One, Monday 31st October - Tuesday 1st November

Hands-on Cadaveric Surgery
Delegates will have the opportunity to learn prosthetic urological procedures operating on a fresh frozen cadaver. Each procedure will be introduced by a short lecture outlining indication and key steps of the surgical procedure:

- Advance male urethral sling
- Artificial urinary sphincter (AMS 800)
- Inflatable penile prosthesis (AMS 700)
- Bulbar and bulbo-prostatic urethroplasty

Poster Presentation
Delegates are encouraged to submit abstracts for poster presentation. The best poster is rewarded with free admission to next year’s GURS Masterclass.

Video Presentation
Delegates are encouraged to submit abstracts for video presentation. The best video is rewarded with free admission to next year’s GURS Masterclass.

Part Two, Wednesday 2nd November - Friday 4th November

Live Surgery
A variety of urethroplasty techniques and andrological reconstructive procedures will be demonstrated in two theatres via live link, including post-prostatectomy related bladder neck contracture and uro-rectal fistula repair; surgical techniques to straighten penile curvature; implantation of inflatable penile prosthesis; bulbar artificial sphincter and male sling for sphincter weakness incontinence.

State-of-the-Art Lectures
Short focused lectures will provide the academic background and complement the surgical procedures to facilitate interactive discussion.

Course Aim
“To illustrate the importance of aetiology and pathophysiology in the decision making of genito-urethral reconstruction by example of live surgical procedures, supplemented by case discussions.”
Programme

Part One

08:00 - 08:15  Registration

08:15 - 17:00  Hands on Cadaveric Surgery
   Tutors:
   Zaki Almallah, Birmingham
   Paul Anderson, Birmingham
   Guillo Garaffa, London
   Tamsin Greenwell, London
   Jeremy Ockrim, London
   Rowland Rees, Southampton
   Laurence Stewart, Edinburgh
   Tim Terry, Leicester

08:15 - 08:45  How to do Procedure 1: Insertion of Advance Male Sling  Zaki Almallah

08:45 - 09:15  How to do Procedure 2: Insertion of bulbar AUS, AMS 800  Tony Mundy

09:15 - 09:30  Refreshments

09:30 - 10:00  Delegate Hands-on Cadaver Surgery - Procedure 1

10:00 - 11:00  Delegate Hands-on Cadaver Surgery - Procedure 2

11:00 - 11:15  How to do Procedure 3: Implantation inflatable penile prosthesis  Culley Carson

11:15 - 12:00  Delegate Hands-on Cadaver Surgery - Procedure 3

12:00 - 13:00  Lunch

13:00 - 13:15  How to do Procedure 4: bulbar urethroplasty dorsal patch graft  Michael Coburn

13:15 - 14:15  Delegate Hands-on Cadaver Surgery - Procedure 4

14:15 - 14:30  How to do Procedure 5: traumatic bulbo-prostatic anastomosis  Tony Mundy

14:30 - 14:45  How to do Procedure 6: perineal urthrostomy  Tony Mundy

14:45 - 15:00  Refreshments

15:00 - 16:00  Delegate Hands-on Cadaver Surgery - Procedure 5

16:00 - 17:00  Delegate Hands-on Cadaver Surgery - Procedure 6

Those attending the Hands-on Cadaveric Surgery on Monday are invited to view poster and video presentations on Tuesday.

Those attending Part 2 of the course are welcome to attend the poster and video presentation sessions on Tuesday for no extra charge. Please be aware that places are limited and will be allocated on a first come first served basis.
10th Masterclass of Genito-Urethral Reconstructive Surgery (GURS)
Tuesday 1st November 2016

Part One

08:00 - 08:15  Registration
08:15 - 17:00  Hands on Cadaveric Surgery
Tutors:
Zaki Almallah, Birmingham  Jeremy Ockrim, London
Paul Anderson, Birmingham  Steve Payne, Manchester
Nim Christopher, London  Rowland Rees, Southampton
Guillo Garaffa, London  Laurence Stewart, Edinburgh
Tamsin Greenwell, London  Tim Terry, Leicester

08:15 - 08:45  How to do Procedure 1: Insertion of Advance Male Sling  Zaki Almallah
08:45 - 09:15  How to do Procedure 2: Insertion of bulbar AUS, AMS 800  Tony Mundy
09:15 - 09:30  Refreshments
09:30 - 10:00  Delegate Hands-on Cadaver Surgery - Procedure 1
10:00 - 11:00  Delegate Hands-on Cadaver Surgery - Procedure 2
11:00 - 11:15  How to do Procedure 3: Implantation inflatable penile prosthesis  Culley Carson
11:15 - 12:00  Delegate Hands-on Cadaver Surgery - Procedure 3
12:00 - 13:00  Lunch
13:00 - 13:15  How to do Procedure 4: bulbar urethroplasty dorsal patch graft  Michael Coburn
13:15 - 14:15  Delegate Hands-on Cadaver Surgery - Procedure 4
14:15 - 14:30  How to do Procedure 5: traumatic bulbo-prostatic anastomosis  Tony Mundy
14:30 - 14:45  How to do Procedure 6: perineal urthrostomy  Tony Mundy
14:45 - 15:00  Refreshments
15:00 - 16:00  Delegate Hands-on Cadaver Surgery - Procedure 5
16:00 - 17:00  Delegate Hands-on Cadaver Surgery - Procedure 6

For those who attended the Hands-on Cadaveric Surgery on Monday, the timings for the poster and video presentations are below

09:00 - 12:00  Poster Presentations I
Chair: Steve Brandes, Jack MacAninch
12:00 - 13:00  Lunch
13:00 - 15:00  Video Presentations I
Chair: Drew Peterson, Leny Zinman
15:00 - 17:00  Video Presentations II
Chair: Greg Malone, Sender Herschorn
17:00 - 17:10  Best Poster & Best Video Prize / Close
17:10 - 18:00  BAGURS Annual Meeting (members only)
10th Masterclass of Genito-Urethral Reconstructive Surgery (GURS)
Wednesday 2nd November 2016

Part Two

08:00 - 08:15 Registration
08:15 - 08:20 Welcome Remarks

State-of-the-Art Lectures

08:20 - 08:40 Primary Hypospadias repair in children - What the adult urethroplasty surgeon needs to know
Margit Fisch

08:40 - 09:00 Staged penile urethroplasty with oral graft substitution for recurrent proximal hypospadias strictures
Ofer Shenfeld

09:00 - 09:20 Urethral Dilation versus optical urethrotomy - risk analysis and health economic considerations
Simon Bugeja

09:20 - 09:40 Non-Transecting Anastomotic Bulbar Urethroplasty for idiopathic strictures - experience from a high volume specialist centre
Aziz Abdullah

Penile Urethroplasty for Hypospadias recurrent strictures and Lichen Sclerosus (BXO)

Chair: Steve Brandes, Paul Anderson, Sanjay Kulkarni

Theatre 1
09:40 - 11:30 One-stage penile urethroplasty for distal Lichen Sclerosus (BXO) stricture
Daniela Andrich

Theatre 2
10:30 - 11:30 1st stage penile urethroplasty for proximal hypospadias stricture
Tony Mundy

11:30 - 12:30 “Meet the experts” Lunch time case discussions - Anterior Urethroplasty
Moderators: Steve Payne
Experts: Steve Brandes, Drew Peterson, Aziz Abdulla, Sanjay Kulkarni

12:30 - 13:00 Presentation of previous Masterclass Urethroplasty patients
Simon Bugeja

Bulbar Urethroplasty for Idiopathic & Traumatic strictures; and Perineal Urethrostomy

Chair: Jack MacAninch, Jalil Hosseini, Drew Peterson

Theatre 1
13:00 - 15:30 Non-transacting Anastomotic bulbar urethroplasty +/- buccal graft (idiopathic)
Daniela Andrich
15:30 - 17:00 Perineal Urethrostomy (full-length peno-bulbar stricture)
Daniela Andrich

Theatre 2
14:00 - 16:00 Anastomotic bulbar urethroplasty (fall-astride perineal trauma)
Tony Mundy
16:00 - 17:30 Anastomotic bulbo-prostatic urethroplasty (pelvic fracture trauma)
Tony Mundy

18:30 - 19:30 Delegate Drinks Reception
19:30 - 21:00 Course Dinner
State-of-the-Art Lectures

08:00 - 08:20  Transperineal urorectal fistula repair - how we do it and when to use an interposition graft  
Tony Mundy

08:20 - 08:40  Bladder neck contracture after radical prostatectomy - endoscopic or open approach - what are the considerations?  
Steve Brandes

08:40 - 09:20  Genital and Urethral Trauma  
Michael Coburn

Reconstructive Surgery for Post-Prostatectomy Complications I

Chair: Jack McAninch, Sender Herschorn, Margit Fisch, Duncan Summerton

Theatre 1
09:20 - 11:30  Uro-rectal fistula repair  
Tony Mundy, Daniela Andrich

Theatre 2
10:00 - 11:30  Implantation of inflatable penile implant  
Carlo Bertocchi

11:30 - 12:30  “Meet the experts” Lunch time case discussions - Post-Prostatectomy Complications I  
Moderators: Tom Mundy  
Experts: Michael Coburn, Lenny Zinman, Sender Herschorn, Margit Fisch

12:30 - 13:00  Presentation of previous Masterclass Post-Prostatectomy Complications patients  
Simon Bugeja

Reconstructive Surgery for Post-Prostatectomy Complications II

Chair: Steve Payne, Tim Terry, Antoine Faix

Theatre 1
13:00 - 16:00  Redo-Vesicourethral anastomosis for bladder neck contracture  
Tony Mundy, Daniela Andrich

Theatre 2
15:00 - 17:00  Implantation of inflatable penile implant (priapism)  
David Ralph
State-of-the-Art Lectures

08:00 - 08:20  Management options for male sphincter weakness incontinence  Zaki Almallah
08:20 - 08:40  Medical and Surgical Management for Peronie’s Disease  Carlo Bettohi
08:40 - 09:00  Risk of erectile dysfunction after penile straightening techniques  Daniel Chevallier
09:00 - 09:20  Primary and redo-penile implant surgery - lessons learnt  Antoine Faix
09:20 - 09:40  Antibiotics for prophylaxis and salvage management in penile implants  Culley Carson

Reconstructive Surgery for Post-Prostatectomy Complications III

Chair: Sébastien Beley, Michael Coburn, Zaki Almallah

Theatre 1
09:00 - 10:00  Implantation of male sling  Daniela Andrich

Theatre 2
10:00 - 11:00  Implantation of bulbar artificial sphincter (AMS 800)  Tony Mundy

11:00 - 12:30 “Meet the experts” Lunch time case discussions - Reconstructive Andrology
Moderators: Duncan Summerton
Experts: Nim Christopher, Daniel Chevallier, Antoine Faix, Culley Carson

12:30 - 13:00 Presentation of previous Masterclass Reconstructive Andrology patients  Guillo Garaffa

Surgery for Penile Straightening

Chair: Tim Terry, Daniel Chevallier, Ian Eardley

Theatre 1
13:00 - 15:00  16-dot procedure for penile straightening  Asif Muneer

Theatre 2
14:30 - 16:00  Implantation of inflatable penile implant + patch for Peyronie’s  Guillo Garaffa

16:00 Meeting Closing Remarks/ Collection of Attendance Certificates
10th Masterclass of Genito-Urethral Reconstructive Surgery (GURS)

Invited Faculty

Aziz Abdullah

Poster and Video Presentations

Don’t miss this outstanding opportunity to present and discuss your experience.

The best poster and video will be rewarded with free admission to next year’s GURS Masterclass!

Application forms can be downloaded, completed and submitted online at: www.millbrook-medical-conferences.co.uk

Or posted to:
Millbrook Medical Conferences Ltd
Unit 8 Midland Court
Central Park
Lutterworth
Leicestershire
LE17 4PN

Closing date for submission of abstracts: Monday 24th October 2016
in association with the
Société d’Urology Internationelle (SIU)

Institute of Urology

University College London Hospitals NHS Foundation Trust

The British Association of Urological Surgeons has awarded this course

Thanks to:
Kelly Higgs, the Clinical and Theatre Staff members, our Patients and the Royal College of Surgeons Administration Team
